Sir:

AMENDMENT & ARGUMENT

The prior art does not include the combination of components (a), (b)(i) and (b)(ii). Applicant in the previous amendment intended (b)(i) and (b)(ii) to be separate limitations. Applicant argued in the previous response that the prior art does not disclose the combination of (b)(i) and (b)(ii). It is not unreasonable to read (b)(i) as a markush group and (b)(ii) is a separate limitation. To avoid confusion, applicants have amended the claim. The amended claims now have the limitation of of a particular antioxidant additive grafted to the lubricant. The antioxidant comprising at least one oxazoline and at least one polyol ester, and a reaction product of at least one a polyol diacrylate and at least one a general antioxidant YH. The prior art does not
